

Diana King has always felt that she wanted to make a difference and help others. In 2005, she received her Associates in Human Services from Rock Valley College, and is currently working towards receiving her Bachelor's. She began working for FSA in 2011, and currently is Senior Services' Program Manager. She said she most enjoys working with older adults and making a positive difference in their lives, by enriching them with various activities and events and keeping them independent.

Diana grew up in Bartlett and enjoys reading, being outdoors, travelling, and working in her yard. She also enjoys bike riding and going for a long walk. She has a Long-Haired Chihuahua/Pomeranian mix named Gulley and a black cat named Poopo. Diana is the proud parent to two children – Eric and

Breanna, as well as a grandmother to two grandchildren – Colin and Brooke.
